Magic Forest

- Verse 1 Magic forest - where the moon ain't goin' down
Magic forest - where the king don't wear a crown
Magic forest - where every flower has its thorn
Magic forest - where the master is wearin' horns
- Bridge 1 Whiches dancing around to the mistical sound of the night...
- Verse 2 ...in magic forest - where the bad mists blinds your eyes
Magic forest - where every promise is a lie
- Bridge 2 Satan drives you insane, (is) gonna cause lots of pain in the night...
...down in magic forest
- Interlude 1 You are feelin' devils brearthing in your neck
Your heart starts speedin' up its beat deep in your chest
You feel cold while gettin' old, don't know whats goin' on
You might cry, don't wanna die, your looking for a place to hide
- Interlude 2 Hold on, hold on, the exit is near
Hold on, hold on, you've gotta drop a bright tear
Straight into the demons eye
And the devil starts to cry
He will release you, he will bag you to forgive...
...down in magic forest
- Verse 2 Magic forest - where all your nightmares will come true
Magic forest - where the evil longs for you
Magic forest - where the raven sings his song
Magic forest - where wolves are chasin' the unicorn
- Bridge 3 Demons dancin' around to the mistical sound of the night...
...deep in magic forest
- Interlude 3 You hear the whisper from the sisters of the dark
Don't be a fool, just stay cool and follow your heart
They will seduce you, will abuse you with their charm
Hear the inner voice, you aint got the choice, go take up your arms
- Interlude 4 Hold on, hold on - you gotta be strong
Hold on, hold on - you have to fight what is wrong
Don't be frightening of the dead - you gotta cut off satans head
He will shiver, you'll deliver love and faith
- Fin Down in magic forest...
...love is your sword, faith is your shield, hope is your guide
Down on the battlefield.....
