

- A Verse 1 I'm walking down the street of life
Without knowing where it's gonna lead me to
I'm lying awake most every (single) night
Thinking about the things that I've been going through

Can't see no reason why to carry on

Can't see no reason why to carry on
- C Chorus 1 I Need someone to open up my eyes – again
Someone to bring back the joy to me – and then
Just need someone to walk right here with me - hand in hand
- A Verse 3 A buried feeling deep inside my heart
Tells me to keep the patience, not to give up hope
There will always be a chance to restart
Don't feel bitter, don't let frustration rule your soul
- B Bridge 3 Now I get a clue why I was born
A proper reason why to carry on
- C Chorus 2 (I'm) Gonna find someone to open up my eyes – again
Someone to bring back the joy to me – and then
I'll find someone to walk right here with me - hand in hand

Listening to the mellow singing of the (coloured) birds

... the stars - hanging on the roof of life
- B Bridge 4 Now I know why I was born
Can see the reason why to carry on

Your tender love brought back the joy to me – and now
You're the one to walk right here with me - hand in hand
